New Business

Next Meeting: April 17, 2018
Prince Edward County Planning Commission
Meeting Minutes
January 16, 2018
7:00 pm

Members Present: John Prengaman, Chairman
                Donald Gilliam
                Robert "Bobby" Jones
                John "Jack" W. Peery, Jr.
                Cannon Watson

Chris Mason, Vice Chairman
Preston A. Hunt
Clifford Jack Leatherwood
Teresa Sandlin

Absent: Mark Jenkins

Staff Present: Rob Fowler, Planning & Zoning Director
              Wade Bartlett, County Administrator

Mr. Rob Fowler, Planning and Zoning Director, called the December 19, 2017 meeting to order at 7:00 p.m.

Election of Chairman
Mr. Fowler called for nominations for the position of Chairman. Commissioner Jones nominated Commissioner Prengaman, seconded by Commissioner Watson. Mr. Fowler called for any additional nominations. There being none, he closed nominations. The motion carried:

Aye: Donald Gilliam
     Preston A. Hunt
     Robert M. Hunt
     Clifford Jack Leatherwood
     Chris Mason
     John "Jack" W. Peery, Jr.
     John Prengaman
     Teresa Sandlin
     Cannon Watson
     Absent: Mark Jenkins

Mr. Fowler welcomed Mrs. Teresa Sandlin to the Planning Commission, and turned the meeting over to Chairman Prengaman.

Election of Vice-Chairman
Chairman Prengaman called for nominations for the position of Vice-Chairman. Commissioner Jones nominated Commissioner Peery, seconded by Commissioner Hunt. Chairman Prengaman called for further nominations; there being none, he called for the vote for Commissioner Peery as Vice-President. The motion carried:
Set Day, Time and Place of Regular Meetings & Adoption of Bylaws
Chairman Prengaman called for suggestions regarding the regular meeting schedule.

Commissioner Jones made a motion, seconded by Commissioner Peery, to hold the regular Planning Commission meetings on the third Tuesday of the month at 7:00 p.m. in the Board of Supervisors room of the Courthouse, and to adopt the Bylaws as presented; the motion carried:

Aye: Donald Gilliam
     Preston L. Hunt
     Robert M. Jones
     Clifford Jack Leatherwood
     Chris Mason
     John Prengaman
     Teresa Sandlin
     Cannon Watson

Absent: Mark Jenkins

Bylaws of the
Prince Edward County Planning Commission

1) Meetings shall be held on a monthly basis, normally on the third Tuesday of the month at 7:00 p.m. in the Board of Supervisors room. The schedule may be altered at any regularly scheduled meeting. Meetings may be cancelled due to lack of business, but the Commission shall meet at least every two months.

2) Additional meetings may be held at any time upon the call of the chairman, or by a majority of the members of the commission, or upon request of the Board of Supervisors following at least twenty-four hours notice to each member of the commission.

3) The commission at its regular meeting in January of each year shall elect a chairman and vice-chairman. The recording secretary shall be the Director of Planning and Community Development or a designated alternate, who shall make an audiotape of the proceedings of each meeting and prepare minutes for the permanent records of the commission.

4) The duties and powers of the officers of the planning commission shall be as follows:

A. Chairman
   • Preside at all meetings of the commission.
   • Call special meetings of the commission in accordance with the bylaws.
• Sign documents of the commission.
• See that all actions of the commission are properly taken.

B. Vice-Chairman

During the absence, disability, or disqualification of the chairman, the vice-chairman shall exercise or perform all duties and be subject to all the responsibilities of the chairman.

C. Recording Secretary

• Prepare an audiotape of the proceedings of each meeting of the commission.
• Prepare minutes from the audiotape of each meeting in detail sufficient to include the tenor of public comments and the commission's reasoning underlying each decision or recommendation.
• Circulate a copy of the minutes to each member of the commission before the next meeting.
• Prepare the agenda for all commission meetings.
• Be custodian of commission records.
• Inform the commission of correspondence relating to business of the commission and attend to such correspondence.
• Handle funds allocated to the commission in accordance with its directives, state law, and county ordinances.
• Sign official documents of the commission.

5) All maps, plats, site plans, and other materials submitted to the commission shall be filed in the office of the Director of Planning and Community Development and maintained for public access until the project to which they relate has been completed or deleted. Minutes of the commission's meetings shall be permanently filed in the office of the planner and maintained for public access.

6) Matters referred to the commission by the Board of Supervisors shall be placed on the calendar for consideration and possible action at the first meeting of the commission after the referral and appropriate public notification.

7) A majority of the members of the commission shall constitute a quorum for the transaction of business, but no quorum shall be required for informational meetings at which no action is to be taken.

8) Reconsideration of any decision of the commission may be taken when the interested party for such reconsideration makes a showing satisfactory to the chairman that, without fault or deliberate omission on his own part, essential facts were not presented to the chairman.

9) Robert's Rules of Order for Committees shall govern the commission's proceedings in all cases not specifically ordered by these bylaws.

10) Order of consideration of agenda items in a public hearing:

• Director of Planning and Community Development or other staff member presents report including summary of all comments (written, electronic and verbal) received from interested parties and makes a recommendation.
• Commission members may question the staff member on the presentation.
• Proponent(s) of the agenda item make presentations as appropriate.
• Opponent(s) of the agenda item make presentations as appropriate.
• Applicant make rebuttal of objections not previously covered.
• Commission members may question applicant, proponents, or opponents or may offer comments on the agenda item.
• Commission may opt to gather additional information about the matter and take action at a future meeting, or vote on recommendation, whether approving or denying request, to Board of Supervisors.

11) Any member of the commission who has any personal or financial interest in any matter before the commission shall declare the nature of that interest and shall if the interest constitutes a legal conflict of interest by Virginia law recuse him/herself from the deliberations on that matter, including lobbying other members, participating in the discussions, or voting on the matter. In cases where the interests do not raise to the level of legal conflict of interest by Virginia law, a member may voluntarily recuse him/herself in the interest of avoiding the appearance of conflict. All commission members shall be sensitive to the importance of impartiality and shall endeavor to always avoid any actual or appearance of conflict of interest.

12) Each member of the commission who has knowledge that he/she will be unable to attend a scheduled meeting of the commission shall notify the County Administrator’s office at the earliest opportunity. The Director of Planning and Community Development shall notify the chairman if projected absences will produce a lack of quorum. Members who are absent from three consecutive meetings, or who are absent from more than half of the commission’s meetings during a calendar year, will be referred to the Prince Edward County Board of Supervisors for possible replacement.

13) The vice-chairman shall succeed the chairman if he becomes unable to attend a session or an adjourned meeting. A new vice-chairman shall be elected at the next regular meeting.

14) These bylaws may be recommended for amendment at any meeting having a quorum present by a majority vote, provided that notice of such proposed amendment has been given to each member in writing at least two weeks prior to its consideration. If recommended for approval, proposed amendments must then be adopted by the Board of Supervisors before becoming effective.

15) Planning Commission members are strongly encouraged to attend a Virginia Certified Planning Commissioner’s Training Program within two years of their appointment to the Planning Commission. The certification course will provide a basic foundation of planning law, history, and technical expertise needed by planning commissioners to maximize their competency and ability to render legally defensible decisions and recommendations. Costs associated with the program will normally be paid by Prince Edward County.

In Re: Public Hearing – Special Use Permit, Bart Gray
Chairman Pregaman announced this was the date and time scheduled for a Public Hearing to receive citizen input prior to considering a request by Bart Gray for a Special Use Permit to operate an Indoor/Outdoor Commercial Sports and Recreation Center, located at 140 Shepards Road on property identified as Tax Map Parcel 022-A-73. This is an A2 Agricultural Residential District. Notice of this hearing was advertised according to law in the Friday, January 5, 2018 and Friday, January 12, 2018 editions of THE FARMVILLE HERALD, a newspaper published in the County of Prince Edward.

Mr. Rob Fowler, Planning and Zoning Director, stated Prince Edward County received a Special Use Permit application to permit the operation of an Indoor/Outdoor Commercial Sports Recreation Center, located at 140 Shepards Road, on Tax Map Parcel 022-A-83 and owned by Bart Gray.

Mr. Fowler said the proposed facility will consist of an approximately 7,000 square foot building that will house two batting cages and a synthetic field space, along with an outdoor rectangular field and parking. The facility will operate Monday-Sunday 12:00 p.m. – 10:00 p.m. with limited openings outside of the normal operating hours for special occasions. The facility will provide off-street parking and will not generate odor, dust, or fumes and noise should not impact the adjacent properties.
Mr. Fowler said the property is located in an A2, Agricultural Residential District and the use is allowed by Special Use Permit.

Mr. Fowler said the business owner, Lindsay Hardwoods, next door to the property has concerns; one other inquiry was made. He said one of the conditions is fencing; the property will be supervised as the Grays live on the property.

Commissioner Peery said the left turn onto the property from Route 15 South will be difficult. Mr. Fowler said the Grays met with VDOT and that is a recommended entrance as is shown on the plan as the VDOT-approved entryway. He said the turn is right past the median.

Commissioner Mason said possible future expansion would include an outdoor rectangular field. Mr. Fowler stated the project is planned to be done in phases; the inside will be done first. Mr. Fowler added there will be no stormwater issues since the disturbance is under an acre; they are building a full erosion and sediment control plan.

Mr. Bart Gray distributed copies of Massey Engineers' initial narrative written early in the project's conception. He added the outside activities are not included in the initial plan and not part of this proposal. Mr. Gray said the current plans center on the entry, parking lot and building. Plans to add pitching mounds on the north side of the building, on the other side of the building from Lindsay Hardwoods may be in the future.

Commissioner Jones asked if their residence is on the property. Mr. Gray said it is. He said he spoke with the adjacent business, Lindsay Hardwoods, regarding the amount and location of the necessary fencing. He said it is intended the participants in the ball teams do not leave the lot.

Commissioner Prengaman asked about the hours of operation. Mr. Gray said weekdays, they plan to open at 3:00 or 4:00 p.m. and run until 9:00 or 10:00 p.m., after school. On weekends, they plan to open at 1:00 p.m. He said they plan to operate summer camps in the largest clear span.

Chairman Prengaman opened the public hearing.

Mr. Harlan Horton, Attorney for Lindsay Hardwoods, said the sawmill adjoins the property; he said they are concerned about the installation of a facility that will attract young children and teenagers on property that is immediately adjacent to the operation. Sawmills pose a higher than normal risk of injury to anyone who is unfamiliar to the operation, children and teenagers especially when they encounter log piles and heavy equipment. Mr. Horton said his client is opposed because of the higher risk of injury that such an industrial operation poses. He said they are also concerned about the impact on their ability to continue operations. They have been notified in writing by the insurance agent that the placement of the youth facility next to the sawmill poses "serious potential risk hazards. Both your property and general liability underwriters will be concerned and potentially make your account less attractive to the insurance market, especially after a trespass-related claim. I do not believe warning or No Trespass signs are adequate.

Mr. Gray said Lindsay Hardwoods employs 15-17 full time employees on a regular basis. The loss of the ability to obtain insurance would essentially put them out of business, as insurance for saw mills has tripled to come by. Mr. Horton said he was told the youth facility would employ, at most, two to three part-time employees. If the Special Use Permit is approved, it is imperative to consider carefully the potential impact on the existing business and its employees, as well as the best method possible for the users of the facility will be safe, meaning the children participating and their families waiting with nothing to do but explore the area. He said at the very least, requiring Mr. Gray to erect an effective security border fence of at least seven feet high with three strands of barbed wire at the top, that surrounds the youth facility out to Route 15 to prevent people from entering the saw mill property, would be an absolute necessary condition. This would protect the youth and their families and alleviate the concerns his clients' insurance agent has regarding maintenance of the insurance and continuing its operation.

There being no one further wishing to speak, Chairman Prengaman closed the public hearing.

Mr. Gray stated he is not trying to open a youth baseball building to put the sawmill out of business or impact their insurance; he said he sees the merit of a fence but the seven-foot high fence with three strands of razor wire seems
excessive. He said the recreation will take place inside the building; he said if they decide to have activity outside, he will have to return to the County. He said the initial project, fencing makes sense.

Commissioner Jones stated some pictures of the building and asked how many feet from the sawmill property. Mr. Gray said there is a natural 25-28 feet deep tree line, the setback is 35 feet. He said from the building to the center point of Lindsay Hardwood’s operation is approximately 475 feet. He said the tree line will be undisturbed and a fence will be put up.

Commissioner Jones asked about the parking area. Mr. Gray said the parking lot is L-shaped, the majority is along the front of the building.

Chairman Prangeman questioned the occupancy of the building. Mr. Gray said that if successful, he would estimate 100 people. He said there will be two baseball teams, 12 children to a team. He said times would be staggered for arrival and departure; there would be the team of 12 children, two coaches and the parents. He said there are no doors or exit points on the side next to the sawmill. He said there are three 12-foot wide garage doors on the north side, and one entrance door on the west side.

Chairman Prangeman asked about restroom facilities. Mr. Gray said there are adequate facilities with handicap access. He said the 7,000-foot building has a clear span; he said it will include a video room and parent waiting room. He said there will be no food or concessions in the building.

Commissioner Mason said in looking at the preliminary plan, he asked if a fence from the corner of the building to the edge of the parking lot, would keep people from going any where other than into the building. He asked what is on the north side.

Mr. Gray described attaching the fence to corner of building. Mr. Gray added if pitching mounds and tables are added, he would want fencing around the courtyard and it would be fully contained.

Mr. Horton said the objection to the project is to put conditions on the Special Use Permit that are reasonable and the objective is how to make sure every child doesn’t get more and get hurt.

Further discussion followed regarding the fence. Commissioner Watson questioned the barrier behind the Executive Inn. He said with the transient nature of the people, there is not a great difference. Commissioner Jones agreed that would be more of a concern and that a separate rail fence with barbed wire seems excessive.

Following some discussion, Commissioner Jones made a motion, seconded by Commissioner Hunt, to approve for recommendation to the Board of Supervisors the request for operation of an indoor/outdoor Commercial Sports Recreation Center, with the following conditions:

- 7-foot-high fence installed in advance of the business opening, along the southern edge of the parking lot and attached to the building
- Fencing outside pitching mounds on the north side must be fenced
- Any future expansion must be brought before the Planning Commission

The motion carried:

Aye: Donald Gilliam
     Preston L. Hunt
     Robert M. Jones
     Clifford Jack Leatherwood
     Chris Mason
     John “Jack” W. Peery, Jr.
     John Prangeman

     Cannon Watson

Absent: Mark Jenkins

Nay: (None)
In Re: Special Use Permit Application – Abner King

Mr. Fowler stated Mr. Abner King is present to answer any additional questions the Planning Commission members may have. He said he will plant additional buffer and has addressed the generator and noise issue, lighting, buffer, the hours of operation, and sanitation issues. Mr. Fowler stated VDOT has no concerns regarding the bridges, and Mr. King will install a VDOT-approved commercial entrance.

Mr. King stated his vision is to be able to be at home with his family, in addition to the farm.

Chairman Prengaman inquired about the 72-decibel generator. Mr. King stated it will be a single generator, and the decibels are comparable to an average outdoor heat pump which is 70 decibels. He said the generator will be kept insulated in a box to keep the noise buffered.

Commissioner Jones asked how many sheds will be produced, and if there will be a store on the property. Mr. King said there will be 10-15 maximum on the property, and the goal is to sell a shed at a time.

Commissioner Sandlin asked if people will come to the farm to purchase the sheds. Mr. King said all sheds are pre-sold; there will be no retail on the farm.

Commissioner Peery said he is concerned about the road as it is in poor shape. Mr. Fowler said there are only 50 trips per day, not enough to be considered for paving.

Mr. King said he will add shrubs to the buffer of trees to modify the existing buffer.

Commissioner Hunt questioned the size limit of the buildings. Mr. King said the widest buildings are 14’ wide; the largest building is 14’ x 40’.

Mr. Fowler stated the closest house is 400 feet away. He said there was an issue regarding the setbacks but accessory structures do not have setback requirements.

Commissioner Jones made a motion, seconded by Commissioner Gilliam, to approve for recommendation to the Board of Supervisors the Special Use Permit Application of Mr. King, with the following conditions:

- Shrubs planted to modify the buffer from its existing location to the barn
- Portable toilet facilities maintained for employees
- Maximum of 15 finished buildings stored on site
- Fence / buffer around generator for noise control
- Trees planted on site

The motion carried.

Item No.: 

Department: Planning and Community Development

Staff Contact: Rob Fowler

Issue: Special Use Permit-Interstate Sign Co., Inc.

Summary:

The County has received a special use permit application to permit the installation of one internally lighted free standing sign with LED digital display for the gas price and two canopy/wall signs located at 14315 Farmville Road on tax map parcel 112-1-1A owned by Patricia Hudson.

The proposed signs are part of an exterior renovation project for the business and the free standing sign will be 32 square feet in area.

The property was formally used as a convenience store and is a legal non-conforming use. Section 3-104.11 of the Prince Edward County Zoning Ordinance permits lighted signs by Special Use Permit.

Attachments:

1. Public Hearing Notice
2. Original Special Use Permit Application
3. List of Adjoining owners notified of Special Use Permit Application
4. Sample Letter Sent to Adjoining Owners

Recommendations:

The Planning Commission will wish to hold a public hearing and render a decision concerning the Special Use Permit.

RE: Special Use Permit Application at 14315 Farmville Road

To Whom It May Concern:

The Prince Edward County Planning Commission has scheduled a Public Hearing on Tuesday, March 2018 at 7:00 p.m. to consider a Special Use Permit Application by Tammy Brindle with Interstate Sign Company, Inc. The Planning Commission meeting will be held in the Board Room on the Third Floor of the Prince Edward County Courthouse. A public hearing gives the Planning Commission the opportunity to gather citizen input prior to considering the special use request.

Request by Interstate Sign Company (Tammy Brindle) to install one lighted free standing sign with LED digital reader and illuminated wall.canopy signs located at 14315 Farmville Road.

The property is located on Tax Map Parcel 112-1-1A owned by Patricia Hudson. This is an A1, Agricultural Conservation District and allowed by Special Use Permit).

You are receiving this notice because you own land adjacent to this parcel. The Special Use Permit application is available for review in the Prince Edward County Department of Planning and Community Development and on the county web page at www.co.prince-edward.va.us. If you have any questions about this meeting or the permit application, I encourage you to contact me by calling 434-392-8837 or electronically at rfowler@co.prince-edward.va.us

Sincerely,

Re: Manufacturer Certification for Rick’s Mini Mart in Meherrin, VA

Dear Sir:

The following information pertains to the display provided by Daktronics, Inc. and proposed for Rick’s Mini Mart in Meherrin, VA.

The proposed sign comes equipped with a photo-sensor that detects ambient light levels and adjusts the display intensity automatically according to natural ambient light conditions.

Per industry standards, the sign comes equipped with automatic dimming technology to adjust the sign’s brightness based on ambient light conditions. As the sun rises and sets, the display will automatically detect that change and adjust the level of brightness accordingly, which will prevent glare, hazards, or nuisances.

The sign is programmed to stay within .3 foot candles of the ambient light level when measured at the appropriate distance. (Please see the accompanying pamphlet for an in depth understanding of this standard)

Daktronics is committed to providing LED displays that adhere to the regulatory environment, working closely with our customers for a responsible approach to the market.

Please let me know if you have any questions or concerns.

Sincerely,

Daktronics, Inc.

Issue: Special Use Permit-Schaffer Construction Co., Inc.

Summary:

The County has received a special use permit application to permit the construction of ten townhome units for sale located on Briarwood Drive, on property identified as Tax Map Parcel 038C-7-A owned by Schaffer Construction Co., Inc.

The proposed townhomes will be two stories, approximately 1400 square feet per unit and the exterior building materials will be vinyl and faux stone. The project is adjacent to the Briery Acres Townhouse project that was developed several years ago.

The proposed townhomes must comply with Section 3-110.3 (B) of the Prince Edward County Zoning Ordinance. The section of the code is included in the Planning Commission packet.

The property is located in an R2, General Residential District and the use is allowed by Special Use Permit.

Attachments:

RE: Special Use Permit Application at Briarwood Drive

To Whom It May Concern:

The Prince Edward County Planning Commission has scheduled a Public Hearing on Tuesday, March 20, 2018 at 7:00 p.m. to consider a Special Use Permit Application by Schaffer Construction Co, Inc. The Planning Commission meeting will be held in the Board Room on the Third Floor of the Prince Edward County Courthouse. A public hearing gives the Planning Commission the opportunity to gather citizen input prior to considering the special use request.

Request by Schaffer Construction Co., Inc. to allow the construction of ten townhome units for sale located on Briarwood Drive.

The property is located on Tax Map Parcel 038C-7-A owned by Schaffer Construction Co., Inc. This is an R2, General Residential District and allowed by Special Use Permit.

You are receiving this notice because you own land adjacent to this parcel. The Special Use Permit application is available for review in the Prince Edward County Department of Planning and Community Development and on the county web page at www.co.prince-edward.va.us. If you have any questions about this meeting or the permit application, I encourage you to contact me by calling 434-392-8837 or electronically at rfowler@co.prince-edward.va.us

Sincerely,

Robert S. Fowler
Director
Planning and Community Development
