AGENDA

July 8, 2018

1. Chairman will call the September meeting to order.

2. Approval of the Minutes: June 19, 2018 at 7:00 p.m.

3. Welcome Mr. Whitfield Paige to the Planning Commission

Public Hearing:

1. PAR 5 Development Group-Special Use Permit

4. Old Business

5. New Business

Next Meeting: TBD
Meeting Date: September 18, 2018
Item No.: 2
Department: Planning and Community Development
Staff Contact: Rob Fowler
Issue: Minutes, June 19, 2018

Summary:

Approval of Minutes from June 19, 2018

Attachments:
June 19, 2018 minutes

Recommendations:

Approval.
Prince Edward County Planning Commission
Meeting Minutes
June 19, 2018
7:00 pm

Members Present: John Prengaman, Chair  John “Jack” W. Peery, Jr., Vice Chairman
Donald Gilliam  Preston L. Hunt
Mark Jenkins  Robert “Bobby” Jones
Clifford Jack Leatherwood  Teresa Sandlin
Cannon Watson

Staff Present: Rob Fowler, Zoning Director

Chairman John Prengaman called the June 19, 2018 meeting to order at 7:00 p.m.

Chairman Prengaman presented a statement:

I have an announcement to make before the Planning Commission commences its business for the evening. This afternoon around 2:00 p.m., the County Administrator’s Office was notified that the application for rezoning by Farmville Hospitality, LLC, to rezone from C1, General Commercial District, with restrictions to C1, General Commercial without restrictions on property identified as Tax Map Parcel #037-A-47, containing approximately 5.84 acres, has been withdrawn. In accordance with Section 15.2-2286, Section 7, of the Code of Virginia: If an applicant withdraws his petition for amendment to the zoning ordinance or map, and I quote “processing of the motion, resolution or petition shall cease without further action as otherwise would be required by this subdivision.”

In addition, the County received notice that the request by PRJ Land Trust for a Special Use Permit to allow the operation of a Campground located on Rice Creek Road on property identified as Tax Map Parcels 79-5-3 and 92-A-31. As with the other agenda item that was withdrawn, the County and Planning Commission have cancelled tonight’s public hearing on this matter. If this property owner decides to apply for a Special Use Permit, the process will start from the beginning.

Therefore, the County and the Planning Commission have cancelled tonight’s public hearings and apologize to any citizens who came to the meeting tonight unnecessarily.

If the property owners decide to refile a new application for rezoning, the process will restart from the very beginning.

Approval of Minutes: April 17, 2018
Commissioner Peery made a motion, seconded by Commissioner Sandlin, to approve the meeting minutes from April 17, 2018, as presented; the motion carried:
Aye: Donald Gilliam
Preston Hunt
Mark Jenkins
Robert M. Jones
Clifford Jack Leatherwood
John “Jack” W. Peery, Jr.
John Prengaman
Teresa Sandlin
Cannon Watson

Nay: (None)

In Re: Public Hearing – Proposed Ordinance Amendment
Chairman Prengaman announced this was the date and time scheduled for a Public Hearing to amend the C1, General Commercial District, Sections 2.800.3 and 2.800.3(B) of the County Zoning Ordinance. Notice of this hearing was advertised according to law in the Friday, June 8, 2018 and Friday, June 15, 2018 editions of THE FARMVILLE HERALD, a newspaper published in the County of Prince Edward.

Chairman Prengaman reviewed the process for public hearings.

Mr. Rob Fowler, Zoning Director, stated that after reviewing the Prince Edward County Zoning Ordinance, staff suggests that the Planning Commission consider amending Section 2.800.3, Permitted Uses, in the C1, General Commercial District, to require the following uses be permitted by Special Use Permit in Section 2.800.3(B):

- Commercial Outdoor Entertainment
- Commercial Outdoor Sports and Recreation
- Car Wash
- Campgrounds
- Crisis Center
- Dance Hall
- Flea Market
- Gasoline Station
- Laundry
- Commercial Kennels
- Mini Warehouses
- Pawn Shop
- Recycling Centers
- Transportation Terminal
- Motel/hotel/motor lodge

Mr. Fowler said this would provide an additional layer of review when development takes place within the C1, General Commercial District to ensure that uses are compatible with adjacent properties.

Chairman Prengaman opened the public hearing.

Kent Lee questioned if there will be another hotel built in town. Chairman Prengaman stated this public hearing is on the proposed ordinance amendment.

Jack Houghton, Farmville, stated he resides in Crestview and that he received a telephone call and an email earlier in the afternoon advising that the public hearing was cancelled on the matter relating to the property to the south of the Crestview residential area. He said he has a problem with the public hearing being advertised to the entire county and the County cannot cancel a public hearing by telephoning him. He said the public hearing is still to be held and it is not legal to not take comment.
Chairman Prengaman said this public hearing is regarding the Zoning Ordinance and not the Crestview Project.

Mr. Houghton said he is discussing the process, and the people in the Crestview neighborhood were told the hearing was tonight by public notice. He said they weren’t notified that the meeting was cancelled.

Chairman Prengaman said the County has no ability to notify the entire population of the County. Mr. Houghton said the County can do so by stating so in this meeting. He said they can notify by another public hearing but the public hearing cannot be cancelled. He said a sign is posted on the door of the lobby but that is not due process. He said these people in attendance are opposed to the proposed rezoning that was just withdrawn, so when it appears again, he urged the Planning Commission to advertise properly.

Chairman Prengaman stated legal counsel was contacted and proper procedure was followed that the County currently has in place. He said that under New Business, the County Planning Commission will, between now and the next meeting, review the policies regarding public hearings.

Mr. Houghton said there were three public hearings regarding specific properties listed in that advertisement; all of them were identified by street names, but the one regarding Crestview did not identify [a specific address] and there was not way to identify where that property was. He added it isn’t fair or consistent.

Chairman Prengaman stated this will be taken under counsel; he said this public hearing has nothing to do with how the County advertises and is strictly regarding the proposed ordinance amendment.

There being no one wishing to speak, Chairman Prengaman closed the public hearing.

Commissioner Watson made a motion, seconded by Commissioner Jenkins, to approve for recommendation to the Board of Supervisors the amendment to the Zoning Ordinance to add the uses be permitted by Special Use Permit in Section 2.800.3(B); the motion carried:

Aye: Donald Gilliam
     Preston Hunt
     Mark Jenkins
     Robert M. Jones
     Clifford Jack Leatherwood
     John “Jack” W. Peery, Jr.
     John Prengaman
     Teresa Sandlin
     Cannon Watson

Nay: (None)

In Re: Special Use Permit – Joseph Hines, Campground on Clark Street
Chairman Prengaman announced this was the date and time scheduled for a Public Hearing on a request by Joseph Hines for a Special Use Permit to allow the operation of a campground located on Clark Street on property identified as Tax Map Parcel 37-A-49, zoned A2, Agricultural Residential District. Notice of this hearing was advertised according to law in the Friday, June 8, 2018 and Friday, June 15, 2018 editions of THE FARMVILLE HERALD, a newspaper published in the County of Prince Edward.

Mr. Fowler stated the County has received a Special Use Permit application to permit the operation of a Campground located on Clark Street, on Tax Map Parcel 37-A-49, owned by Joseph Hines. He said the proposed facility will consist of approximately 31 campsites which will allow the use of tents and recreational vehicles on approximately 11.22 acres.

Mr. Fowler stated the facility will be required to provide bathroom facilities, water and sewer as required by the Virginia Department of Health. The applicant will have to obtain VDOT and/or the Town of Farmville access approval prior to the issuance of any permits.
The property is located in an A2 Agricultural Residential District and the use is allowed by Special Use Permit.

Mr. Fowler stated he has received opposition to the project. He said Mr. Hines provided additional information, requesting some flexibility within the property as to where the sites will be because of the stormwater, erosion and sediment design issues that might come up.

Commissioner Sandlin recused herself from this public hearing and the one following, citing a conflict of interest.

Commissioner Peery asked if these will be permanent campsites. Mr. Joseph Hines stated this project is driven by the need for sites for the employees with the Atlantic Coast Pipeline. He said he wants to do these responsibly for the surrounding property owners and the campers; a buffer will be in place to shield visibility from Route 460 or from Clark Street. He thanked people for coming, adding that he cannot address concerns if he is not aware of them.

Chairman Prengaman opened the public hearing.

Mr. Ron Sandlin stated he is the property manager for the property at 202 Clark Street and has been since 2001, which is directly across from the proposed camp. Currently, the tenant in that building is Hospice VA, and the employees enter and leave the building at all hours getting medical supplies. The building is monitored and is well lit to provide safety and security. Mr. Sandlin added that he is currently in negotiations with a daycare center that will hold up to 25 full-time infants and toddlers, and additional children before and after school. He asked if a construction camp is the right neighbor. He said there is also a Longwood University housing complex on Clark Street, and asked what the impact to the neighborhood will be. He stated the owner of the property and he oppose this project for this area.

There being no one further wishing to speak, Chairman Prengaman closed the public hearing.

Mr. Hines stated he spoke with Louise Waller of the Longwood Real Estate Foundation, who is not in opposition to the project. He said he also went to McGeorge RV and asked about the prices of the campers. He said campers for the construction workers range in cost from $80,000 to $200,000 and with that level of user who is very invested in the future and in their jobs, would be the users that would be at this particular site.

Commissioner Jones asked the plans for the property after the pipeline is completed. Mr. Hines stated he would be willing to put a sunset provision on the project. He said police routinely visit the area, and the campground clientele would be respectful and as was heard on the applications from Tim Tharpe and Leon Lapp, these are not irresponsible people. If there would be a problem, those people would be removed as quickly as possible.

Chairman Prengaman asked if only the pipeline workers would be permitted to the campground. Mr. Hines said he will talk to one of the contractors about signing a contract to take whatever spaces can be put in there. He said they will get a schematic layout and will have to work out stormwater, sewer and water and other elements so another level of planning will take place, including engineering plans which will be approved by the County, as well as any potential security measures.

Commissioner Jones asked if transportation will be coordinated for the employees. Mr. Hines said the estimate is that there would be a maximum total of 60 campsites which would generate 13 vehicles in the morning peak hour and 17 vehicles in the evening peak hour.

Commissioner Jones asked if the construction project will take three years. Mr. Hines said it can take longer depending on the permits, but three years is a normal time frame. He said he is in this business for his living and can assure the County that things take a tad longer than what is anticipated, but that is realistic.

Commissioner Peery asked about the water and sewer for the property. Mr. Hines stated Mr. Spates quoted the same rate for water/sewer hookups as he did for the other campsites.

There being no one further wishing to speak, Chairman Prengaman closed the public hearing.
Commissioner Jones asked if there will be conditions set. Mr. Fowler said the site plan must comply with stormwater plan approval, VDOT and Town approvals for access, Health Department regulations have to be met, and depending on the site plan, as with the others, all lighting has to be glare shielded, proper trash facilities provided, and will need to provide quiet hours beginning at 10:00 p.m. He said this would also be open for other traveling campers; there is need for travel trailer access.

Chairman Prengaman stated that at the previous meeting, construction campsites were reviewed and guidelines were set relative to quiet hours, adhering to all guidelines required for facilities, water, sewer; VDOT for access to the property, and all that was put in place, subject to receiving the permit and going through everything before approval of those construction camps.

Mr. Fowler said the A2 zoning district does not permit a work or construction campsite but would permit campground; it is different. He said putting a time limit on it is in the power of the Planning Commission to revisit, but it is not a construction camp. He said that definition is a facility providing camping and parking areas, incidental services for travelers and recreational vehicles or tents. He said the owner will decide the target group to advertise, as long as he operates within the guidelines put in place.

Commissioner Jones stated there is a large campground on the bypass near Appomattox which is used by both travelers and construction workers, and it seems to be well maintained. He said there may be a need for this in our area.

Commissioner Jones made a motion, seconded by Commissioner Hunt, to approve for recommendation to the Board of Supervisors the Special Use Permit Application from Joseph Hines for a Special Use Permit to allow the operation of a campground located on Clark Street on property identified as Tax Map Parcel 37-A-49, with the following conditions:

- Site Plan, Erosion & Sediment/Stormwater approval by staff
- VDOT Approvals
- Town Approvals
- Health Department regulations/requirements be obtained
- All lighting is glare-shielded from extending beyond the property lines.
- Facilities be approved for trash.
- Quiet hours are maintained after 10 p.m.

The motion carried:

**In Re: Special Use Permit – Joseph Hines, Campground on Green Bay Road**

Chairman Prengaman announced this was the date and time scheduled for a Public Hearing on a request by Joseph Hines for a Special Use Permit to allow the operation of a campground located on Green Bay Road on property identified as Tax Map Parcel 39-12-1 and 39-12-2, zoned A1, Agricultural Conservation District. Notice of this hearing was advertised according to law in the Friday, June 8, 2018 and Friday, June 15, 2018 editions of THE FARMVILLE HERALD, a newspaper published in the County of Prince Edward.
Mr. Fowler stated the County has received a Special Use Permit application to permit the operation of a Campground located on Green Bay Road, on Tax Map Parcels 39-12-1 and 39-12-2, owned by Joseph Hines. The proposed facility will consist of approximately 29 campsites which will allow the use of tents and recreational vehicles on approximately 8.99 acres.

Mr. Fowler said the facility will be required to provide bathroom facilities, water and sewer as required by the Virginia Department of Health. The applicant will have to obtain VDOT approval for the proposed access points prior to the issuance of any permits.

Mr. Fowler said the property is located in an A1, Agricultural Conservation District and the use is allowed by Special Use Permit. He recommended use of the same conditions as specified in the previous public hearing, if approved for recommendation to the Board. He said no feedback has been received regarding this application. He added the applicant is working with the Health Department on issues with the soil.

Chairman Prengaman opened the public hearing.

Mr. Joseph Hines stated that in doing research within the community, there does appear to be a lack of campground sites like this. He said there are construction projects going on all the time, and there might be people that wish to rent sites other than the ACP. He said this project could last longer because of High Bridge Trail, Briery Lake, Sandy River Reservoir and others. He said there may be a demand for an RV or campground site. He said having responsible leasers is important and should a problem arise, he would do everything in his power to eliminate that problem.

Chairman Prengaman questioned the parcel size in relation to the number of proposed camp sites. Mr. Hines said the land is split into two sections by a Dominion Power easement; there are 8.99 acres total. He said one section is 5.02 acres and the other is 3.97 acres.

Commissioner Jones asked if a water and sewage source will be provided. Mr. Hines said there will be, and enough wells to accommodate the number of sites. He said the Health Department has requirements for what an RV will sustain in terms of water and sewer and that will be accommodated in this process.

Commissioner Jones asked if each site will be manned. Mr. Hines said he needs to check what the requirements call for depending on the type of camp that is set up. He said the construction camp, similar to what Leon Lapp had, is important that it be manned. He said the campsite on Briery does not appear to be manned.

Commissioner Peery asked if someone is available to check on and maintain the sites. Mr. Hines said that with the Atlantic Coast Pipeline, once that moves on, he will look at the financial feasibility if the property is vacated in terms of this particular use, then it would be cleaned up and environmentally sound. He stated he is a professional engineer and has a license that he has to commit to public health, safety, and welfare first and foremost in anything he does and he would apply that commitment to this project.

Commissioner Leatherwood asked if the site will have water, sewer and electric. Mr. Hines said he would like to have those available.

There being no one further wishing to speak, Chairman Prengaman closed the public hearing.

Commissioner Jones made a motion, seconded by Commissioner Peery, to approve for recommendation to the Board of Supervisors the Special Use Permit Application from request Joseph Hines for a Special Use Permit to allow the operation of a campground located on Green Bay Road on property identified as Tax Map Parcel 39-12-1 and 39-12-2, with the following conditions:

- Site Plan, Erosion & Sediment/Stormwater approval by staff
- VDOT Approvals
- Health Department regulations/requirements be obtained
- All lighting is glare-shielded from extending beyond the property lines.
- Facilities be approved for trash.
- Quiet hours are maintained after 10 p.m.
The motion carried:

     Mark Jenkins
     Robert M. Jones
     Clifford Jack Leatherwood
     John “Jack” W. Peery, Jr.
     John Prengaman
     Cannon Watson

Nay: (None)

Abstain: Teresa Sandlin

**In Re: Old Business**

(No items discussed)

**New Business**

Chairman Prengaman stated there will be a review of the guidelines to ensure consistency for the advertisement of and announcing public hearings.

Mr. Fowler then stated that, a few months ago during discussion of the townhouse project, when the project went to the Board of Supervisors, there was a question of providing enough parking. He said he is looking at other localities and will be bringing recommendations for additional parking for visitors to the townhouses. He said that will be brought before the Commissioners next meeting.

Commissioner Jones made a motion, seconded by Commissioner Peery, to adjourn the meeting at 7:37 p.m.; the motion carried:

Aye: Donald Gilliam
     Preston Hunt
     Mark Jenkins
     Robert M. Jones
     Clifford Jack Leatherwood
     John “Jack” W. Peery, Jr.
     John Prengaman

Next Meeting: TBD
Meeting Date: September 18, 2018
Item No.: 3-1
Department: Planning and Community Development
Staff Contact: Rob Fowler
Issue: Special Use Permit-Par 5 Development Group, LLC

Summary:

The County has received a special use permit application to permit the construction of a retail establishment along with an illuminated freestanding sign located at the north west corner of the intersection of Prince Edward Highway (US 460) and Harris Creek Road on Tax Map Parcel 019-A-68E owned by Steven and Susan Bower.

The proposed Dollar General store will be approximately 9,100 square feet, provide a minimum of 38 parking spaces, between 6-8 employees and have illuminated signage. This is an allowed use in the A1, Agricultural Conservation District by Special Use Permit.

The store will operate between the hours of 8 a.m. to 10 p.m. Monday thru Sunday, receive one delivery by tractor trailer a week during normal operating hours, and utilize “Night Friendly” LED lighting.

Attachments:
1. Public Hearing Notice
2. Original Use Permit Application
3. List of Adjoining owners notified of Special Use Permit Application
4. Sample Letter Sent to Adjacent Owners

Recommendations:

The Planning Commission will wish to hold a public hearing and render a decision concerning the Special Use Permit.
Notice of Public Hearings

The Prince Edward County Planning Commission will hold a public hearing on Tuesday, September 18, 2018 at 7:00 p.m. in the SCOPE Building located at 505 Griffin Boulevard, Farmville, Virginia, to receive citizen input prior to the Planning Commission making recommendations to the Board of Supervisors on the following:

1. Request by Par 5 Development Group, LLC for a Special Use Permit to operate a Retail Sales Establishment and have illuminated signage located on Tax Map Parcel 019-A-68E. This is an A1, Agricultural Conservation District.

A complete copy of the proposed Special Use Permit applications are available for public review in the office of the Prince Edward County Administrator, 111 South Street, 3rd Floor, Farmville, VA, or on the county website at www.co.prince-edward.va.us. It is the County’s intent to comply with the Americans with Disabilities Act. Should you need special accommodations, please contact W. W. Bartlett, County Administrator at 434-392-8837.

RE: Special Use Permit Application at the Northwest Corner of the intersection of Prince Edward Highway (US 460) and Harris Creek Road.

To Whom It May Concern:

The Prince Edward County Planning Commission has scheduled a Public Hearing on Tuesday, September 18, 2018 at 7:00 p.m. to consider a Special Use Permit Application by Par 5 Development Group, LLC. The Planning Commission meeting will be held in the Scope Building located at 505 Griffin Boulevard. A public hearing gives the Planning Commission the opportunity to gather citizen input prior to considering the special use request.

The request by Par 5 Development Group, LLC. is to allow the construction of a retail store approximately 9,100 square in area, provide 38 parking spaces and have illuminated signage on property located on Tax Map Parcel 019-A-68E owned by Steven and Susan Bower. The property is presently zoned A1, Agricultural Conservation District, and this zoning classification permits retail sales after issuance of a Special Use Permit.

You are receiving this notice because you own land adjacent to this parcel. The Special Use Permit application is available for review in the Prince Edward County Department of Planning and Community Development and on the county web page at www.co.prince-edward.va.us. If you have any questions about this meeting or the permit application, I encourage you to contact me by calling 434-392-8837 or electronically at r Fowler@co.prince- edward.va.us

Sincerely,

Robert S. Fowler
Director
Planning and Community Development
TO: Prince Edward County Planning Commission and Board of Supervisors

FROM: Matt Hastings, PE
Project Manager – Land Development

RE: Par 5 Development Group, LLC – Prospect Dollar General Site Special Use Permit Application

Summit Design and Engineering Services is filing this Land Use Application for Special Use Permit on behalf of Par 5 Development Group, LLC. The current zoning of Tax Map Parcel is 019 A 68E is A-1, Agricultural Conservation District.

This proposed SUP would satisfy the following goals and objectives of the 2014 Prince Edward County Comprehensive Plan.

Economic Development:

Goal: To stabilize, balance and strengthen the economy of Prince Edward County.
Objective 2: Promote the retention and growth of existing County businesses, and location of new businesses in the County.
Objective 3: Develop a diversified economic base in the County.
Objective 4: To encourage the development of essential employment opportunities within Prince Edward County for the resident workforce.

Land Use:

Goal: Ensure the optimal use of land resources within Prince Edward County, and promote and support an environmentally sound feature land use pattern that provides for a variety of community needs, minimizes conflicts between existing and proposed land uses, and can be supported by adequate public facilities.
Objective 4: Promote a strong and diversified industrial and commercial base which does not create significant negative impacts on residential areas, prime agricultural lands or public facilities.
Objective 7: Promote Prince Edward County’s rural communities as suitable locations for appropriately scaled residential, commercial and civic development.

The proposed use in this area is compliance with the Comprehensive Plan and the intent of the A-1 district, with a mix of residential and business uses.
Project Narrative:

Par 5 development Group, LLC is seeking a special use permit (SUP) to develop a 70' x 130' 9,100 square foot retail store with 6-8 Employees with operating hours between 8 a.m.- 10 p.m. The proposed new building has a total of 7,263 sq. ft. of retail floor space which would require a minimum of 37 parking spaces by Zoning Ordinance. There is a total of 38 standard parking spaces and 2 handicapped/van accessible spaces being proposed.

The establishment, maintenance, and operation resulting from the SUP will not be detrimental to or pose any danger to the public health, safety, morals, comfort or general welfare. Furthermore, the issuance of the SUP will not be injurious to the use and enjoyment of other properties in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the surrounding neighborhood. The establishment of the SUP will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.

The proposed structure will incorporate an appealing architectural exterior that will not be at variance with the immediate neighborhood or character of the applicable district and will not cause a substantial depreciation of the properties in the neighborhood. All portions of the building and site design have been proposed in a manner that will meet all applicable codes and guidelines in order to be in harmony with the intended spirit and purpose of the Zoning Ordinance.

This site will be served with on-site well and septic system. Adequate facilities will be provided by the engineer for utilities, access roads, drainage & storm water areas, etc. The entrance will be designed and will meet or exceed Virginia Department of Transportation standards. The site improvements will provide ample space for consumers to park while also providing for safe ingress and egress, thereby providing for the safety of those utilizing the facility and provide for access of fire and safety equipment to the site. The parking areas have been designed to be in harmony with the adjacent properties and promote the health, safety and general welfare of the community. The parking arrangement as shown on the site concept plan is designed in order to provide a formal and flowing sitewith standardized parking and drive aisle, landscaping and visual appeal. Facilities will be located in order to minimize noise, glare, or odor effects on adjoining properties and properties generally in the district.

Refuse and service areas will be screened from view from public areas and surrounding properties. Trash will be removed from the business on a regular basis and the site will be kept in a neat and orderly manner. Appropriate screening and buffering will be provided of a similar type, dimension and character of the surrounding neighborhood and meets or exceeds the standards of the Zoning Ordinance.

We are requesting that the proposed pylon sign be illuminated, however site signage will be designed to not impede sight distance or constitute a nuisance. Lighting will be dark skies friendly and will not produce glare or spillover onto adjacent properties or the adjacent roadway. All setbacks and other open spaces are provided for in the concept design.

The proposed use is compatible with the surrounding neighborhood and the other properties in the zoning district. All portions of the building and site design have been proposed in a manner that will meet all applicable codes and guidelines of the Prince Edward County Zoning Code.
DOLLAR GENERAL -

Prospect, VA Dollar General -
Harris Creek Rd

Par 5 Development Group, LLC
Dollar General Facts

- Dollar General’s Mission: In Dollar General, you’ll find a company that embraces substance and simplicity. Their mission is Serving Others. For more than **76 years**, Dollar General has served communities with convenient-sized stores to deliver everyday low prices on products that customers use every day. Dollar General Literacy Foundation

• Committed to helping increase the literacy skills of individuals of all ages, the Dollar General Literacy Foundation has awarded more than $127 million in grants to nonprofit organizations, helping nearly 7.9 million individuals take their first steps toward literacy or continued education since its inception in 1993.

• The Dollar General Literacy Foundation awards grants each year to nonprofit organizations, schools and libraries within a 20-mile radius of a Dollar General store or distribution center to support adult, family, summer and youth literacy programs.

• The Dollar General Literacy Foundation also supports customers interested in learning how to read, speak English or prepare for the high school equivalency test. At the cash register of every Dollar General store, customers may pick up a brochure with a postage-paid reply card that can be mailed in for a referral to a local organization that offers free literacy services.

• The Dollar General Literacy Foundation reviews grants to support adult, summer, family and youth literacy programs. Interested applicants may apply each January at www.dgliteracy.org.
