the following Certification of Closed Meeting was adopted in accordance with the Virginia Freedom of Information Act:

WHEREAS, the Prince Edward County Board of Supervisors convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.2-3712 of the Code of Virginia requires a certification by this Board of Supervisors that such closed meeting was conducted in conformity with Virginia law;

NOW, THEREFORE, BE IT RESOLVED that the Prince Edward County Board of Supervisors hereby certifies that to the best of each member’s knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification resolution applies, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered by the Prince Edward County Board of Supervisors.

Beverly Booth, Commissioner of Revenue, stated that in 2006, there was a change in how the PPTR was collected. She said the County began receiving a lump sum from the State and that is why the bottom paragraph of the Resolution is written as it is. The last line states “supplemental assessments for tax years 2005 and prior years that are made on or after September 1, 2006 shall be deemed “non-qualifying” for purposes of state tax relief and the local share,” because prior to 2006, the State reimbursed a certain amount. She said the paragraph allows for differentiation from how it was done from 1998 to 2005, and from 2006 to the present.

Supervisor Timmons asked for new language from the Code to be placed in the Resolution.

Supervisor Timmons made a motion, seconded by Supervisor Wilck, to approve changing the operation of the landfill from a contracted operation to one controlled by the County, which will require the approval of the budget presented and the hiring of additional county staff to replace existing contractor, and to authorize the County Administrator to obtain bids, prices, and to purchase the additional equipment required as presented in Attachment 2.

Chairman Jones asked if the new employees could be hired about a month prior to the County taking over the landfill to allow the new employees time to be trained. Mr. Bartlett said that can be done; he added if the County can get it done prior to December 31, it could be switched over prior to the end of the year.

After some discussion, the motion carried:

Mr. Bartlett stated one vendor has come to inspect the areas that need to be repaired from the water damage; he is waiting on two more bids and the best will be selected to move forward on the repairs to the areas that were damaged from the water leak. Mr. Bartlett said the project will be phased in and will include the Sheriff’s department, all of General District Court, all of the Commonwealth Attorney’s office, and the front area and those that were damaged in Social Services.

Supervisor Gray requested a final assessment of the school. Mr. Bartlett said he spoke with the Superintendent about the Honeywell project and they are getting the final assessment in October and will review it at the October School Board meeting.
