In Re: Public Hearing – Special Use Permit – Frank & Mary Lacey
Chairman Townsend said this is the time and date advertised for a Public Hearing to receive citizen input prior to considering a request for a Special Use Permit by Frank and Mary Lacey for a Special Use Permit to operate a Bed and Breakfast located at 665 Dry Bridge Road on property identified as Tax Map Parcel 021-8-3. This is an A-1, Agricultural Conservation District. Notice of this public hearing was advertised according to law in the Friday, January 8, 2016 and Friday, January 15, 2016 editions of THE FARMVILLE HERALD, a newspaper published in the County of Prince Edward.

Chairman Townsend opened the public hearing.

Mr. Rob Fowler, Director of Planning and Community Development, stated the County received a Special Use Permit application to permit the operation of a two room Bed and Breakfast in an existing detached single-family residence located at 665 Dry Bridge Road on Tax Map Parcel 021-8-3, owned by Frank and Mary Lacey. The property is approximately six acres; no exterior improvements are planned and there is parking on-site. The property is presently zoned A-1, Agricultural Conservation, and this zoning classification permits a Bed and Breakfast by Special Use Permit.

Mr. Frank Lacey described his property and stated it is close to the High Bridge Trail. Mrs. Lacey stated there are several bedroom suites in the home and a barn is available for horses.

Commissioner Peery asked if there is access to the [High Bridge] Trail from the house. Mrs. Lacey said the access is about two doors down. Mr. Lacey added access is along Hard Times Road.

Mrs. Lacey stated advertisement for the Bed and Breakfast would be done with flyers and word of mouth, Facebook, on Airbnb. She said they are not looking for occupancy every night. She stated it’s ready to open; some inquiries have already been made. Mrs. Lacey stated they may put a small sign up that says “High Bridge Trail B & B” and presented an example. Discussion followed.

Commissioner Leatherwood questioned if the home has been inspected. Mr. Fowler stated they would be required to obtain a building permit application for the Building Official to inspect for compliance; that is the only approval other than the Planning Commission and the Board of Supervisors that would be required.

Mr. Lacey added that it is handicapped accessible.

There being no one further wishing to speak, Chairman Townsend closed the public hearing.

Mr. Fowler stated there has been no opposition.

Chairman Townsend made a motion, seconded by Commissioner Prengaman, to approve for recommendation to the Board of Supervisors the application for Special Use Permit for the Bed and Breakfast located at 665 Dry Bridge Road on Tax Map Parcel 021-8-3, owned by Frank and Mary Lacey; the motion carried.
In Re: Proposed Zoning Amendment
Chairman Townsend said this is the time and date advertised for a Public Hearing to receive citizen input prior to considering a Special Use process for Day Care Centers in R-2 (General Residential) Districts. Notice of this public hearing was advertised according to law in the Friday, January 8, 2016 and Friday, January 15, 2016 editions of THE FARMVILLE HERALD, a newspaper published in the County of Prince Edward.

Chairman Townsend opened the public hearing.

Mr. Fowler stated Prince Edward County staff was contacted regarding the process to establish a Day Care Center located in an R-2, General Residential District.

Currently, the Prince Edward County Zoning Ordinance only permits Day Care Centers as a permitted use in the C-1, General Commercial District, the A-1 Agricultural Conservation District, and the A-2 Agricultural Residential District.

Staff is proposing an amendment to R-2, General Residential Districts to permit the operation of Day Care Centers by obtaining a Special Use Permit. These facilities would be required to have a design professional establish occupancy limits as well as requiring licensure and inspection by the Virginia Department of Social Services.

The current zoning ordinance does provide a definition for Day Care Centers and staff does not propose any changes.

Mr. Fowler stated the approval from Social Services and other licensing would still be required, but this would be another option for people in the R-2 districts, churches, and civic groups.

Chairman Townsend questioned if the interested person is looking for a day care center. Mr. Fowler stated they are, it would not be occupied by them; they would operate the property as a day care center, which takes it from Residential Child Care and puts it into Commercial classification by the definition in the current zoning ordinance.

Chairman Townsend questioned the number of children in the Day Home classification; Mr. Fowler said the state would permit 20 children; those are owner occupied. A Day Care center is a location that doesn’t have occupancy. Mr. Fowler added that the Special Use Permit allows the Commission to decide as each application is evaluated based on the property; some may not be suitable. Discussion followed regarding VDOT entrances to the property and other property specifics.
Commissioner Hunt questioned if this pertains to a specific property. Mr. Fowler stated the client is researching a property on Back Hampden Sydney Road to see if it is feasible to pursue. Commissioner Jones asked if this is a pre-existing home. Mr. Fowler stated it could be or it could be a vacant lot that someone wants to build.

Mr. Fowler stated that if the client was to pursue this home, it would be changed from a Residential classification in the Building Code to a different use, which would then require an architect or design professional to set the occupancy load and state any Code updates that would have to be done prior to obtaining the license from Social Services to operate.

Chairman Townsend asked if any inquiries have been received regarding this topic; Mr. Fowler said there were none.

There being no one further wishing to speak, Chairman Townsend closed the public hearing.

Chairman Townsend made a motion, seconded by Commissioner Leatherwood, to approve for recommendation to the Board of Supervisors the addition of the R-2 designation to provide for a Special Use Permit to allow for Day Care Centers; the motion carried:

Aye: Preston C. Hunt
     Mark Jenkins
     Robert M. Jones
     Clifford Jack Leatherwood
     Chris Mason
     John “Jack” W. Peery, Jr.
     John Prengaman
     John Townsend, III
     Cannon Watson

**Old Business**
Chairman Townsend questioned the Subdivision Ordinance being discussed at the Board of Supervisors meeting in January; Mr. Fowler stated it will be taken to the Board of Supervisors next month.

Commissioner Mason asked about the Tharpe compliance. Mr. Fowler stated that Mr. Tharpe has agreed to come into compliance.

Commissioner Prengaman stated VDOT had three proposals for road changes within the County and asked if any were approved. Mr. Fowler stated word has been received from the Governor’s office that they met and Prince Edward County scored three on the 4, 38 and 77. Mr. Fowler stated the VDOT representative will likely go through additional information and lobby; the final decision is approximately five months away.

Chairman Townsend stated Dr. Stephenson Bynum put up the radio station tower in Rice and is also interested in putting up a television station.
