

PUBLIC NOTICE

- COUNTY ENCOURAGES VOLUNTARY WATER CONSERVATION -

On July 14, 2026, the Prince Edward County Board of Supervisors issued a ***drought watch advisory*** for the County of Prince Edward, based on the key drought indicators of precipitation, stream flow and ground water levels. The Board encourages all citizens (on wells and on public/community water systems) to minimize nonessential water use and to voluntarily conserve water.

For more information on how to conserve water, please visit the County's web site at www.co.prince-edward.va.us
