Board of Supervisors Agenda Summary

Meeting Date: October 13, 2026
Item #: 22
Department: Finance
Staff Contact: Crystal Baker
Agenda Item: Appropriation – Sheriff - Ballistic Vests

Summary:

The Prince Edward County Sheriff's Office is requesting \$29,400 in FY26 carryover funds to purchase 15 new ballistic vests and protective equipment.

Eleven vests are scheduled for replacement, and the Sheriff's Office can purchase four additional vests at prices below the state contract rate. This special pricing is available through the end of the year, making it a cost-effective way to address future replacement needs and maximize savings.

The new vests are lighter and provide enhanced ballistic protection, including rifle plates to protect vital areas. This upgrade will improve both deputy safety and comfort. Existing vests that have not expired will be retained for training purposes.
