

Oak Lane Solar and Green Bay Solar Community Meeting Notes

Q: Where can the application can be found?

A: Prince Edward County will post the application on their website.

Q: Who pays for the studies?

A: CEP Solar, LLC

Q: Where is the money going to?

A: It will go toward the County's Capital Improvement Projects and toward our Community Benefits Plan.

Q: What is the cost to us (residents)?

A: There is no cost.

Q: Why didn't some neighbors get the notice?

A: Only the adjacent landowners receive mailed invitations. The rest of the community is invited through announcements in the Farmville Herald.

Q: Do you buy the land from people?

A: We lease the land.

Q: Do the landowners get a discount or do they get paid?

A: The landowners receive payment over the life of the lease.

Q: Does the project have storage?

A: No.

Q: What is the fire concern?

A: Fires are a rare occurrence at solar facilities. In the event of a fire, local EMS services are trained on how to respond.
