### **Prince Edward Co. Sheriff—P3 Tip Line PARTNERS WITH ANDERSON SOFTWARE TO COUNTER CRIME AND BUILD A STRONGER COMMUNITY.**

**New technology optimizes the tip submission experience and effectiveness.**

Farmville, VA – Prince Edward Co. Sheriff's Office—P3 is proud to announce that they have recently partnered with the Texas-based company, Anderson Software, to provide a more seamless and efficient way for community members to offer information to help solve and prevent crimes or other serious or life-threatening matters. Anderson Software leads the industry with its latest secure and anonymous tip acquisition and management solution, called P3 Intel. This partnership allows Prince Edward County to foster a relationship between law enforcement and the public to proactively create a safer community.

Prince Edward County Sheriff's Office /P3 will now be accepting tips by phone, the web, and by way of the new, free P3 Tips mobile app available on the iOS and Android platforms, greatly enhancing the mobile tip submission process.

Even without the app, there is still an easy and secure option for submitting tips from any PC or mobile browser by going to [p3tips.com](http://p3tips.com). Of course, tips are still welcomed through calling our hotline (434-392-3400). With this information they

can login at *p3tips.com* and submit follow-up information, engage in real-time chat/two-way dialogue, be informed of the outcome of the tip, and access any pertinent reward information.

Prince Edward County Sheriff's Office—P3 Tip Line feels that utilizing Anderson Software's P3 Tips program will enhance communications with the public, thereby building a safer and more trusting community in which everyone prospers.

L.A. "Tony" Epps, Sheriff
