

Prince Edward County Landfill Fee Schedule & Late Payment Policy Effective July 1, 2025

Category	Tipping Fee
In-County Waste	\$40 per ton
Out-of-County Waste	\$44 per ton
Tires (Commercial)	\$175.00 per ton

Notes:

1. Prince Edward County residents may dispose of bagged, residential waste and household goods at the landfill at no charge. Household goods consist of bulky waste such as furniture, spring cleaning, toys or similar items.
2. Residential waste and household goods are assessed a tipping fee at the time of disposal, if disposed of by a contractor or commercial hauler.
3. Residential waste and household goods from rental properties, if disposed of by the landlord, are classified as commercial waste and will be assessed a tipping fee.
4. Landfill employees are authorized to inspect all loads brought to the County Landfill.
5. All loads must be covered when transported on roadways.

Late Payment Policy
All landfill charges shall be due and payable upon receipt of the invoice and shall be classified delinquent if unpaid by the payment remit date, as shown on the invoice.
A 10% penalty shall be added to all delinquent accounts.
Accounts that are thirty (30) days past due shall be assessed a service charge of 10% APR. Landfill privileges will be suspended after 60 days until payment (to include penalty and interest) is paid in full.
The County will pursue collection to the fullest extent of the law.

Notes:

1. Landfill Accounts are billed monthly via statements that summarize the preceding month's scale tickets. These statements are sent to customers within the first five workdays of each month.
2. Payment is required by the payment remit date, as shown on the invoice. The Late Payment Policy will apply to all accounts not paid by the payment remit date.
3. All billing questions should be directed to the County Finance Department at 434-392-8837.
